Re: United States v. Miguel Moore, 15 Cr. 581(PAC)

Dear Judge Crotty:

I write on behalf of Miguel Moore to request that the Court appoint an attorney from the CJA panel to represent Mr. Moore on his pending violation of supervised release. My office has a conflict and cannot represent Mr. Moore on the violation.

Mr. Moore currently is being housed at the Westchester County Jail based on the state charges that underlie the violation. A detainer has been filed based on the Federal violation of supervised release. His state court lawyer has reached out because coordination is necessary between both his state and federal counsel. As the Court knows, in light of restrictions imposed on legal visits due to the pandemic, communicating with a client in custody is extremely difficult. To that end, I respectfully request that the Court appoint today's CJA attorney on duty so that they can begin their attorney-client relationship with Mr. Moore. In the alternative, I respectfully request that the Court schedule Mr. Moore's presentment on the violation of supervised release remotely so that counsel may be appointed forthwith.

I thank you for your time and attention to this matter.

Respectfully Submitted,

/s/
